Opposition (A Lux Novel) Jennifer L. Armentrout

Don't miss *Opposition*, the fifth and final book in Jennifer L. Armentrout's bestselling Lux series. Also included only in the print edition is *Shadows*, the prequel novella never before seen in print! "A thrilling ride from start to finish," says *RT Book Reviews*.

Opposition

Katy knows the world changed the night the Luxen came. She can't believe Daemon stood by as his kind threatened to obliterate every last human and hybrid on Earth. But the lines between good and bad have blurred.

Daemon will do anything to save those he loves, even if it means betrayal. But when it quickly becomes impossible to tell friend from foe, and the world is crumbling around them, they may lose everything to ensure the survival of their friends...and mankind.

Shadows

The last thing Dawson Black expected was Bethany Williams. To him, human girls are...well, fun. But since the Luxen have to keep their true identities a secret, falling for one would be insane. Dangerous.

Bethany can't deny the immediate connection between her and Dawson. And even though boys aren't a complication she wants, whenever they lock eyes, she's drawn in. Captivated.

Dawson can't stop risking everything for one human girl. Or stop a fate that is as unavoidable as love itself.
