Organization and Management in the Criminal Justice System: A Text/Reader (SAGE Text/Reader Series in Criminology and Criminal Justice) Matthew J. Giblin

Integrating the theoretically-framed, empirically-supported content of a traditional textbook and an edited reader into a single volume, this text/reader exposes readers to original primary works (26 readings) in the field of organization and management while providing them with a comprehensive review of the field.

Organization and Management in the Criminal Justice System: A Text/Reader, by Matthew J. Giblin, covers the field's core foundational theories and works, as well as contemporary theories and cutting-edge research. Demonstrating that organizations matter and that the study of organizations has far-reaching utility, the book applies broader organization and management principles to a wide range of key entities including police, courts, and corrections, as well as drug traffickers, sex offender treatment providers, and homeland security agencies. Each of these organizations has a criminal justice nexus and is discussed alongside the major components of the criminal justice system. From organizational theory to managing a criminal justice organization, this book is a must-read for anyone pursuing a career in criminal justice administration.
