Blank staff paper has been around for centuries, enabling great composers, hobbyists, and students to be able to correctly compose legibly their ideas in music. The Fleury Edition series of staff papers attempts to provide shortcuts by providing pre-printed templates for different instrumentations, and ensembles, including jazz, formal orchestral, choral, to name but a few. For the most part, buying these books are cheaper than running copies of free staff paper online, or using your own ink and running your printer into the ground, as well as providing a book format for you to keep your ideas all in one place. 8.5"x11", staff lines light enough for pencil composition to be used and still be seen. 180pps of staff paper.
