## **Pornography of Meat** Carol J. Adams

How does someone become a piece of meat? Carol J. Adams answers this question in this provocative book by finding hidden meanings in the culture around us. From advertisements to T-shirts, from billboards to menus, from matchbook covers to comics, images of women and animals are merged - with devastating consequences. Like her groundbreaking *The Sexual Politics of Meat*, which has been published in two editions, *The Pornography of Meat* uncovers startling connections: Why pornography demonstrates such a fascination with slaughtering and hunting. Fixations on women's body parts expressed through ads for the breasts, legs, and thighs of chickens and turkeys. Animals to be eaten as meat presented in seductive poses and sexy clothing. Back-entry poses in pornography, implying that women - especially women of color - are like animals: insatiable. How meat advertising draws on X-rated images. Why at least one prominent animal-rights group is actually "in bed" with pornographers. With 200 illustrations, this courageous and explosive book establishes why Adams's slide show, upon which *The Pornography of Meat* is based, is so popular on campuses across North America and is reviled by the groups she takes on with insight and passion. From the rise of chain steakhouses to the language of the hunt, from the halls of government to the practice of artificial insemination on farm animals, *The Pornography of Meat* shows exactly how harm to others parades as fun.

### From reader reviews:

#### **Nellie Ferguson:**

Precisely why? Because this Pornography of Meat is an unordinary book that the inside of the e-book waiting for you to snap that but latter it will surprise you with the secret that inside. Reading this book alongside it was fantastic author who also write the book in such remarkable way makes the content on the inside easier to understand, entertaining technique but still convey the meaning fully. So , it is good for you because of not hesitating having this anymore or you going to regret it. This book will give you a lot of benefits than the other book include such as help improving your talent and your critical thinking method. So , still want to hesitate having that book? If I were you I will go to the publication store hurriedly.

#### **Effie Peoples:**

Many people spending their time by playing outside having friends, fun activity using family or just watching TV the whole day. You can have new activity to spend your whole day by reading a book.
