The Heretic's Guide to Best Practices: The Reality of Managing Complex Problems in Organisations
Paul Culmsee, Kailash Awati

When it comes to solving complex problems, we often perform elaborate rituals in the guise of best practices that promise a world of order, certainty, and control. But reality paints a far different picture, which practitioners are often reluctant to discuss.

A witty yet rigorous journey through the seedy underbelly of organisational problem solving, *The Heretic's Guide to Best Practices* pinpoints the reasons why best practices don't work as advertised and what can be done about it.

"Hugely enjoyable, deeply reflective, and intensely practical. This book is about weaving human artistry and improvisation, with appropriate methods and technologies, in order to pool collective intelligence and wisdom under pressure."
—Simon Buckingham Shum, Knowledge Media Institute, The Open University, UK

"This is a terrific piece of work: important, insightful, and very entertaining. Culmsee and Awati have produced a refreshing take on the problems that plague organisations... If you're trying to deal with wicked problems in your organisation, then drop everything and read this book."
—Tim Van Gelder, Principal Consultant, Austhink Consulting

Juan Hinkson:

As a scholar exactly feel bored in order to reading. If their teacher expected them to go to the library or to make summary for some publication, they are complained. Just little students that has reading's internal or real their hobby. They just do what the trainer want, like asked to the library. They go to at this time there but nothing reading seriously. Any students feel that reading is not important, boring along with can't see colorful pics on there. Yeah, it is to get complicated. Book is very important for yourself. As we know that on this time, many ways to get whatever we really wish for. Likewise word says, many ways to reach Chinese's country. So , this The Heretic's Guide to Best Practices: The Reality of Managing Complex

Problems in Organisations can make you experience more interested to read.
