As a pupil exactly feel bored to be able to reading. If their teacher asked them to go to the library or make summary for some publication, they are complained. Just very little students that has reading's internal or real their leisure activity. They just do what the educator want, like asked to the library. They go to at this time there but nothing reading seriously. Any students feel that looking at is not important, boring and also can't see colorful photos on there. Yeah, it is to be complicated. Book is very important for yourself. As we know that on this period, many ways to get whatever we wish. Likewise word says, many ways to reach
