Walden and Civil Disobedience (Penguin American Library)

Henry David Thoreau

Walden and Civil Disobedience (Penguin American Library) Henry David Thoreau **The two defining works of a transcendentalist master**

Disdainful of America's booming commercialism and industrialism, Henry David Thoreau left Concord, Massachusetts, in 1845 to live in solitude in the woods near Walden Pond. Walden, the account of his stay, conveys at once a naturalist's wonder at the commonplace and a Transcendentalist's yearning for spiritual truth and self-reliance. But even as Thoreau disentangled himself from worldly matters, his musings were often disturbed by his social conscience. Civil Disobedience, also included in this volume, expresses his antislavery and antiwar sentiments, and has influenced non-violent resistance movements worldwide. Both give a rewarding insight into a free-minded, principled and idiosyncratic man.

For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.
