It's a beautiful house - a perfect place to live, to dream, to start a life together. It's the perfect place for so many things, he thinks as he puts on the gloves and reaches for her, enjoying her screams. But today, it's a perfect place to die. Steerforth, Connecticut, was once an idyllic, sleepy New England town. But now, the leafy streets and picture-perfect houses have turned shadowy and menacing, every small detail suddenly becoming suspect: lost toys placed carefully on back porches, lights blazing in a house that should be empty, closet doors standing slightly ajar, mysterious flowers wrapped in black tissue paper. And the bodies...A serial killer has come to Connecticut. He is watching, honing his skills, waiting, for the perfect time to make them pay for what they've done. And when he's through, home will never be sweet again...
