## Fundamentals of Anaesthesia (Cambridge Medicine)

The third edition of Fundamentals of Anaesthesia is the gold standard text, encapsulating the basic principles of modern anaesthesia in one easily accessible volume. Written and edited by a team of expert contributors with extensive FRCA examination experience, Fundamentals of Anaesthesia, Third Edition deliberately blends the expertise of invited authors in an unrivalled consistency of style. Deliberate use of authors with a more general anaesthesia background ties in well with the education of anaesthetists in their early years. The third edition is fully updated with a number of completely new chapters. Presentation of information is clear and concise, with extensive use of tables, colour illustrations, summary boxes of key information and bullet lists. This Highly Commended award winning textbook is a unique revision aid and an essential companion for all exam candidates.
