He'll huff, he'll puff, and he'll BLOW their penthouse down...

I thought I had it all figured out.

I knew Raven was safe. My grimoire was secure. I was ignoring my mother's incessant calls and texts.

Sure, there was a crazed wizard lurking somewhere in New York, intent on destroying my family. But I had *Phillip*, tentacles and all.

And I had a plan.

I might not have been an active witch—not yet, at least—but by golly I had a *plan*.

If I could just figure out how to tap into the magic that coursed through my veins, I could enact that plan. Lucky for me, my sister Sadie has an idea or two. Unfortunately for me, those ideas involve a wolf shifter whose ties to my family are as disconcerting as they are infuriating.

But still, I had Phillip. And I was about to find out just **how far he'd go** to help me gain my powers.

I just hope **he lets me watch**.

The Surreal Sisters are a family hopelessly tangled up in paranormal mischief. Each *Surreal Sister* has her own story arc. You can start with any of the sisters, but reading all the books sure is fun.

Little Red Writhing Hood is book three in Rosaleen Surreal's arc. You might enjoy it more if you read *Tall, Dark, and Slender* and *Pride & Tentacles* first.
