**Reasons for Our Hope: An Introduction to Christian Apologetics** H. Wayne House, Dennis W. Jowers

In the light of the threats posed to Christianity by militant Islam, intolerant secularism, and widespread misinformation (*The Da Vinci Code*, the Jesus Seminar, etc.), the necessity of informed and articulate defense of the Christian faith today can hardly be contested. *Reasons for Our Hope* offers a sophisticated yet accessible guide to "destroying speculations and every lofty thing raised up against the knowledge of God, and . . . taking every thought captive to the obedience of Christ" (2 Corinthians 10:5). The book's 31 chapters are divided into four sections:

- **Apologetics Methodologies and Systems** - with chapters on worldviews, the tension between faith and reason, etc.
- **Apologetics in Scripture and in History** - a look at apologetics in the Old and New Testaments, early church, middle ages, the Reformation, Enlightenment, and today.
- **Apologetic Problems** - issues such as the value of philosophy, dealing with skepticism, the problem of evil, miracles, the Resurrection, etc.
- **How to Use Apologetics in Engaging the World** - how to engage the Cultist, Secularist, Postmodernist, Muslim, and Eastern Mystic.
