Rights of Man, Common Sense, and Other Political Writings (Oxford World's Classics)

Thomas Paine

Rights of Man, Common Sense, and Other Political Writings (Oxford World's Classics) Thomas Paine
Thomas Paine was the first international revolutionary. His *Common Sense* (1776) was the most widely read pamphlet of the American Revolution--and his *Rights of Man* (1791-2), the most famous defense of the French Revolution, sent out a clarion call for revolution throughout the world. Paine paid the price for his principles: he was outlawed in Britain, narrowly escaped execution in France, and was vilified as an atheist and a Jacobin on his return to America.

This new edition contains the complete texts of both *Rights of Man* and *Common Sense*, as well as six other powerfully political writings--*American Crisis I*, *American Crisis XIII*, *Agrarian Justice*, *Letter to Jefferson*, *Letter Addressed to the Addressers on the Late Proclamation*, and *Dissertation on the First Principles of Government*--all of which illustrate why Paine's ideas still resonate in the modern welfare states of today.

About the Series: For over 100 years **Oxford World's Classics** has made available the broadest spectrum of literature from around the globe. Each affordable volume reflects Oxford's commitment to scholarship, providing the most accurate text plus a wealth of other valuable features, including expert introductions by leading authorities, voluminous notes to clarify the text, up-to-date bibliographies for further study, and much more.
