A Companion to Magical Realism (Monografías A)

A Companion to Magical Realism (Monografías A)

This new Companion to Magical Realism provides an assessment of the world-wide impact of a movement which was incubated in Germany, flourished in Latin America and then spread to the rest of the world. It provides a set of up-to-date assessments of the work of writers traditionally associated with magical realism such as Gabriel García Márquez (in particular his recently published memoirs), Alejo Carpentier, Miguel ngel Asturias, Juan Rulfo, Isabel Allende, Laura Esquivel and Salman Rushdie, as well as bringing into the fold new authors such as W.B. Yeats, Seamus Heaney, José Saramago, Dorit Rabinyan, Ovid, María Luisa Bombal, Ibrahim al-Kawni, Mayra Montero, Nakagami Kenji, José Eustasio Rivera and Elias Khoury, discussed for the first time in the context of magical realism. Written in a jargon-free style, and with all quotations translated into English, this book offers a refreshing new interdisciplinary slant on magical realism as an international literary phenomenon emerging from the trauma of colonial dispossession. The companion also has a Guide to Further Reading. Stephen Hart is Professor of Hispanic Studies, University College London and Doctor Honoris Causa of the Universidad Nacional Mayor de San Marcos, Lima, Peru. Wen-chin Ouyang lectures in Arabic Literature and Comparative Literature at the School of Oriental and African Studies, London.

To help you to see the represented of the world with this book.

Floyd Brown:

As a university student exactly feel bored to be able to reading. If their teacher expected them to go to the library as well as to make summary for some e-book, they are complained. Just tiny students that has reading's soul or real their interest. They just do what the professor want, like asked to the library. They go to right now there but nothing reading significantly. Any students feel that studying is not important, boring and can't see colorful photographs on there. Yeah, it is for being complicated. Book is very important in your

case. As we know that on this era, many ways to get whatever we would like. Likewise word says, ways to reach Chinese's country. Therefore , this A Companion to Magical Realism (Monografías A) can make you feel more interested to read.
