The process of getting back together with an ex-boyfriend is a very delicate and often labor-intensive endeavor. Pursuing an ex presents us with unique challenges that we need to be aware of if we want to have a chance at success. If you're fully committed to getting back together with your ex-boyfriend, you should expect that it's going to take some work. It's not going to happen overnight, and if it does happen that quickly, the rekindling probably won't last. This book is specifically for women who are interested in building a healthy and lasting relationship with a strong foundation to build upon for years to come. It's not for women who want to pursue on-again off-again, emotionally unfulfilling and stomach-churning romance. Quick and easy reconciliations with your ex-boyfriend, often born out of loneliness and/or alcohol are a recipe for exacerbated emotional pain, resentment, and insecurity. If you want to get your ex back permanently and build a life of happiness together, then you need to read this book from start to finish.
