In "How to Make Anyone Falling Love with You," you'll explore precisely what will make someone take the tumble--what types of initial eye contact, clothing, body language, first conversations, and first dates ignite the sensation of love. You'll learn when to play hard to get (and when not to), how long you should wait to ask him or her out, and how to make an unforgettable first impression. In addition, the author will teach you how to discover and exude a sense of the deeper qualities the man or woman you have chosen longs for in a lifetime partner. Finally, she demonstrates the subtle techniques for discovering ( and fulfilling) your partner's sexual cravings.
