Filled at both ends...

Victoria's husband, John, runs a very successful moving company. Though his business tactics are not quite conventional, or faithful! He spends most of his time banging lonely women in the back of his truck.

But when Victoria arrives on the job site one day, she is greeted by two of her husband's **hunky, well-endowed** employees. And she decides to even the score with her wandering husband – right in the back of his own truck! And she's not bringing protection...

When the moving truck is rocking, don't come knocking.

Fair is fair... and **two massive poles are certainly better than one!**
