In these three volumes full of supplemental material, Dr. Randal Chase, a veteran Institute and Gospel Doctrine teacher, shares years of insights into the scriptures by exploring scriptural symbolism, background, culture, and chronology, as well as the words and teachings of gospel authorities. These unique study guides of the Old Testament provide new depth and understanding to the scriptures. Readers will enjoy Dr. Chase's relaxed style and easy presentation as they gather information, clarification, and quotes that can be used for either private study or public speaking. These unique study guides will be a welcome addition to any library, and they will broaden your comprehension of the "First Testament of Jesus Christ." The many beloved stories of the Old Testament come to life in understandable form as we read of Jehovah's dealings with early mankind—from the creation through the many prophets and kings to the final words of Malachi. Dr. Chase has also released 3 volumes each on the Book of Mormon, Church History, and the New Testament.

Deuteronomy to Solomon. This volume is the second of three on the Old Testament. It covers the Bible from the Book of Deuteronomy to the reign of King Solomon. We read Moses' counsel to his people during the final days before his translation. We follow the children of Israel into the Promised Land under the leadership of Joshua, beginning at Jericho and ending with the total conquering of all the lands promised to Abraham. We are introduced to the Judge-Heroes, including but not limited to Gideon, Deborah, and Samson. We read of the rise of the prophet Samuel and reigns of Saul, David, and Solomon. We thrill at the faith and gifts of David and mourn over his fall from grace. We are inspired by the wisdom of Solomon and the beauty of the House of Lord He built at Jerusalem, but are saddened by his idolatry in his old age. Along the way, we become familiar with the ministries and teachings of Elijah, and Elisha, and the courage and faith of Job. The cover features an extremely rare photograph of the rock (es-Sakhara) inside the Dome of the Rock, which at one time stood inside the Holy of Holies of Solomon's temple.

Full Set: A must for every Book of Mormon, Gospel Doctrine, Seminary, or Institute teacher and student. Making Precious Things Plain is a new series of gospel study guides for the four standard works of the Church. This 12 Volume set of Gospel Doctrine study guides is without question, the most comprehensive and fully documented work of its kind in the Church. Dr. Randal S. Chase, a veteran CES and Institute instructor, provides insights into the background, meaning, and chronology of the scriptures in a relaxed and understandable style.
