The Newbery Medal-winning author of *Walk Two Moons* and *Absolutely Normal Chaos* takes listeners on an adventure brimming with mystery, buried treasure, and the healing power of cookies. Nicknamed the "trouble twins," 13-year-old brother and sister Dallas and Florida have long since given up hope of ever finding a family. Then they meet Tiller and Sairy, an eccentric older couple looking for some help with one last adventure while they're still spry enough to paddle a canoe and climb a mountain.
