A Student Handbook for Writing in Biology

Karin Knisely

A Student Handbook for Writing in Biology Karin Knisely

This book provides practical advice to students who are learning to write according to the conventions in biology. Using the standards of journal publication as a model, the author provides, in a user-friendly format, specific instructions on: using biology databases to locate references; developing sound reading strategies; paraphrasing for improved comprehension; writing for a particular audience with the appropriate tone; preparing lab reports or scientific papers, posters, and oral presentations with accepted format and content; self-evaluating drafts; using peer and instructor feedback for professional development; and preparing oral presentations in PowerPoint.
