**Are We Not New Wave?: Modern Pop at the Turn of the 1980s (Tracking Pop)** Theodore Cateforis

In *Are We Not New Wave?* Theo Cateforis provides the first musical and cultural history of the new wave movement, charting its rise out of mid-1970s punk to its ubiquitous early 1980s MTV presence and downfall in the mid-1980s. The book also explores the meanings behind the music's distinctive traits—its characteristic whiteness and nervousness; its playful irony, electronic melodies, and crossover experimentations. Cateforis traces new wave's modern sensibilities back to the space-age consumer culture of the late 1950s/early 1960s. Theo Cateforis is Assistant Professor of Music History and Culture in the Department of Art and Music Histories at Syracuse University.
