Sixty-five years after his death Hitler is still a skeleton in many German closets. If you mention the Hitler word, people will look at you aghast. And they'd be shocked if you told them a Hitler joke. Of course, Hitler would have heartily approved of their attitude. He considered Humor his Number One enemy. He lived in terror of being laughed at.

Having grown up under Hitler I collected these humorous tales and Hitler jokes and added some from Russia and China.

Enjoy and laugh.
