## They Fight Like Soldiers, They Die Like Children: The Global Quest to Eradicate the Use of Child Soldiers Roméo Dallaire

As the leader of the ill-fated United Nations peacekeeping force in Rwanda, Lieutenant-General Roméo Dallaire came face-to-face with the horrifying reality of child soldiers during the genocide of 1994. Since then the incidence of child soldiers has proliferated in conflicts around the world: they are cheap, plentiful, expendable, with an incredible capacity, once drugged and brainwashed, for both loyalty and barbarism.

The dilemma of the adult soldier who faces them is poignantly expressed in this book's title: when children are shooting at you, they are soldiers, but as soon as they are wounded or killed, they are children once again. Believing that not one of us should tolerate a child being used in this fashion, Dallaire has made it his mission to end the use of child soldiers. Where Ishmael Beah's *A Long Way Gone* gave us wrenching testimony of the devastating experience of being a child soldier, Dallaire offers intellectually daring and enlightened approaches to the child soldier phenomenon, and insightful, empowering solutions to eradicate it.
