Adolescent Literacy and Differentiated Instruction Barbara King-Shaver, Alyce Hunter

"Quite simply, I would love to have had *Adolescent Literacy and Differentiated Instruction* as a secondary language arts teacher.... The book makes me itch to go back to my secondary classroom to see how I could use contemporary technologies as vehicles for differentiation." <?xml:namespace prefix = o ns = "urn:schemas-microsoft-com:office:office" />

-Carol Ann Tomlinson

As a secondary teacher, *Adolescent Literacy and Differentiated Instruction* shows you how to effectively respond to the growing crisis in adolescent literacy. It's the first book that shows how to base lessons on students' strengths and target back-up instruction to their needs so they can improve in literacy, master content, and meet the demands of higher-level learning.

In *Adolescent Literacy and Differentiated Instruction*, **Barbara King-Shaver** and **Alyce Hunter** summon the latest research and share effective, essential differentiation practices. With more than 30 replicable models and practical ideas for managing differentiated classrooms, King-Shaver and Hunter help you:

- assess students' individual needs, interests, and learning styles
- turn assessment into doable plans for targeted instruction
- implement dynamic differentiation strategies such as stations, flexible grouping, choice, and anchor activities.

Drawing on NCTE's guidelines for promoting adolescent literacy, King-Shaver and Hunter offer suggestions for teaching not only reading, writing, listening, and speaking but also viewing multimedia texts and engaging with digital literacy.

Read *Adolescent Literacy and Differentiated Instruction*, use its study guide with colleagues, and discover that with adolescent literacy, the best way to make a difference is by embracing difference.
