An inspirational Christian workbook for women.

Women of every century have struggled not only to maintain a balanced life but also to be fulfilled as a woman. The author examines the unique and fascinating lives of nine biblical women and how they discovered that contentment, confidence, and completion come as an overflow of having a personal relationship with God.

Eight weeks of self-study with this workbook will inspire transformation as the virtues of outstanding biblical women such as Mary Magdalene, Hannah, and Queen Ester are revealed. The reader is challenged through exercises of self-reflection to learn such virtues as commitment, devotion, and submission.
