Introduction to Russian Mennonites: A Story Of Flights And Resettlements-- To Homelands In The Ukraine, The Chaco, T Wally Kroeker

Mennonites in Russia? Invited by Catherine the Great to farm the Russian steppes -- in exchange for exemption from military service -- Mennonite emigrants from Polish Prussia and The Netherlands made their home in Russia. Some remain today; many more eventually left for North and South Americas and Europe. Nearly all retain memories and stories from that place -- unbelievable prosperity for some; unspeakable terror for many; church tensions; struggles between the landed and the landless; exquisite clockmaking, storytelling, musicmaking, and food. Himself a Russian Mennonite, Kroeker heads into the history, but also the later movement of these people to the U.S. and Canada. Are they at all distinctive today? What has drawn some to the cities and professions, and others to the rural prairies? What about those in Europe, and those still in the former Soviet Union? Kroeker tells it all with vibrancy -- the overview and the memorable details. Includes dozens of historic and contemporary photographs.

Skyhorse Publishing, as well as our Arcade imprint, are proud to publish a broad range of books for readers interested in history--books about World War II, the Third Reich, Hitler and his henchmen, the JFK assassination, conspiracies, the American Civil War, the American Revolution, gladiators, Vikings, ancient Rome, medieval times, the old West, and much more. While not every title we publish becomes a *New York Times* bestseller or a national bestseller, we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home.
