Naked Lunch: The Restored Text William S. Burroughs

Since its original publication in Paris in 1959, *Naked Lunch* has become one of the most important novels of the twentieth century. Now, nearly forty years after the book's first U.S. appearance, Burroughs scholar Barry Miles and Burroughs's longtime editor James Grauerholz have given us an edition of the book that includes many editorial corrections and incorporates Burroughs's notes on the text, several essays he wrote over the years about the book, and, most excitingly, an appendix of forty pages of new material and alternate drafts from the original manuscript, which predates the edition that was eventually published by Olympia Press in Paris. For the Burroughs enthusiast and the neophyte, this volume is a valuable and fresh experience of perhaps his most enduring artistic legacy.
