The Clan of the Cave Bear: Earth's Children, Book One Jean M. Auel

This novel of awesome beauty and power is a moving saga about people, relationships, and the boundaries of love. Through Jean M. Auel's magnificent storytelling we are taken back to the dawn of modern humans, and with a girl named Ayla we are swept up in the harsh and beautiful Ice Age world they shared with the ones who called themselves **The Clan of the Cave Bear**.

A natural disaster leaves the young girl wandering alone in an unfamiliar and dangerous land until she is found by a woman of the Clan, people very different from her own kind. To them, blond, blue-eyed Ayla looks peculiar and ugly--she is one of the Others, those who have moved into their ancient homeland; but Iza cannot leave the girl to die and takes her with them. Iza and Creb, the old Mog-ur, grow to love her, and as Ayla learns the ways of the Clan and Iza's way of healing, most come to accept her. But the brutal and proud youth who is destined to become their next leader sees her differences as a threat to his authority. He develops a deep and abiding hatred for the strange girl of the Others who lives in their midst, and is determined to get his revenge.

So , why hesitate? We should have The Clan of the Cave Bear: Earth's Children, Book One.

Tessa Krieger:

As a pupil exactly feel bored in order to reading. If their teacher asked them to go to the library as well as to make summary for some publication, they are complained. Just little students that has reading's internal or real their interest. They just do what the educator want, like asked to the library. They go to right now there but nothing reading significantly. Any students feel that reading through is not important, boring in addition to can't see colorful pics on there. Yeah, it is being complicated. Book is very important in your case. As we know that on this era, many ways to get whatever we want. Likewise word says, many ways to reach Chinese's country. Therefore , this The Clan of the Cave Bear: Earth's Children, Book One can make you truly feel more interested to read.
